We appreciate your interest in the NEA Baptist Charitable Foundation Medicine Assistance Program. The information below is an outline of how the Medicine Assistance Program works. To qualify you must be within specific income guidelines set by each pharmaceutical company and be uninsured or underinsured.

1. **Please complete the attached information sheet entirely** and return by mail or fax.
2. **Proof of Household Income – Send whichever document applies to your household:**
  - a. Copy of current Federal income tax return, pages 1 & 2. – *Form 1040*
  - b. Copy of your Benefit Statement for this year from Social Security (*please contact your social security office to obtain information*)
  - c. Proof of your monthly income from any other source, including pension, unemployment, employment, child support, etc.
  - d. If “no income,” please send a copy of HUD, SNAP, letter signed by family/friends for monetary gifts to help you meet your needs, or other benefits to show how you support yourself.
3. **Please send a copy of the front and back of your insurance cards.**
4. The Medicine Assistance Program will then review your medications and locate any programs available through the pharmaceutical companies. Forms from each pharmaceutical company will be mailed to you and your doctor. These forms will also need to be returned to the Medicine Assistance Program.
5. Once we have received all the forms, we will fax them to the pharmaceutical companies and wait for their decision. **The whole process can take 4 to 8 weeks**, so please be patient.
6. If approved, your medications will be sent to the doctor’s office or your home, depending on the pharmaceutical company’s preference. Once you start receiving your medications, call us **6 WEEKS** before you are out of medication to reorder. Most applications are good for one year. When an application expires, we will complete a new application to enroll you for another year.

**PLEASE DO NOT SEND BANK STATEMENTS, UTILITY BILLS, OR MEDICAL RECORDS.**
